### School Choir 2018

The start of term has seen the return of old smiles and the welcome addition of some enthusiastic new faces in our choir rehearsals. Choir will take place every Wednesday at 1.30pm in my English/Music classroom (unless otherwise notified).

All school students are welcome to join in the fun, but it is a requirement that they attend every rehearsal and not "pick and choose" depending on what other playground activities may be happening outside.

I will endeavour to keep rehearsals to between 15-20 minutes so that children can still have 10 minutes to play and/or eat their iceblocks after singing.

Please do not hesitate to contact me if you have any questions about this activity.

Chrissie Baldwinson, Music Coordinator  
christina.baldwinson@det.nsw.edu.au

It's that time of the year again where the Moorambilla Voices workshops are visiting regional towns to select children for this year's singing extravaganza. Please see advertisement in this newsletter about the upcoming workshop in Trangie for interested students.

### Library News

#### Borrowing

#### Book Wish List

We now have a book wish list situated in our library where students are encouraged to write down the titles and authors of books that they want access to. I will then endeavour to make those books available to them.

#### International Book Giving Day

International Book Giving Day was a great success! I want to thank the generous families of students who took part in this day, by donating some wonderful books to our library. I also want to thank the Tottenham Seniors Day Care Centre and the Tottenham War Memorial Early Childhood Centre for helping us celebrate. We hope you enjoy the books we have donated to you!

**Harold merchandise**

Dear Parents,

Life Education NSW is a not for profit organisation that relies on the support of the community to assist us in reaching our fundraising goals. Every Harold product purchased helps us visit more children in NSW.

The sale of Harold merchandise to the children whilst the program is visiting each school supports our overall fundraising activities and helps cover the gap between the cost of delivery and what parents and schools pay for our program. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit. You can also check out our NEW product range online by visiting [www.lifeeducation.org.au/shop](http://www.lifeeducation.org.au/shop)

Last week Joel, Caleb and Danielle attended the annual Access Camp at Lake Burrendong, above. It was great to see the students participate actively in their class lessons as well as mix socially with the other students.

**Secondary BYOD – (Bring Your Own Device)**

Secondary students are reminded to bring their laptops to school, fully charged, on a daily basis. Parental assistance with this would be appreciated.

**Stage 4 History Visit Dandaloo**

Stage 4 students visited Dandaloo today, investigating primary sources as young historians gathering information. Students found it interesting to explore areas that held clues to the area's past, see photos. A full report of their findings will be presented at the next assembly.

No ghosts were disturbed in this process.

## Get dirty on Clean Up Australia Day

Lachlan Shire Council will be hosting Clean Up Australia Day on Sunday 4 March 2018 and encourages family, friends and community groups to get together and participate at a number of nominated locations.

Mayor John Medcalf said “Clean Up Australia is a great opportunity for residents to take action and help preserve the local environment.”

"Clean Up Australia Day is an easy way we can all get involved in cleaning up and preserving our parks and reserves."

"I encourage residents to sign up for this important community initiative. It's a great way to spend a couple of hours meeting people and it benefits the environment by removing litter from our beautiful parks and recreation areas."

"The key is stopping litter becoming rubbish. If everyone took responsibility for the small stuff, it wouldn't steam roll into the environmental disaster we are facing in the state of our waterways," said Mayor Medcalf.

To participate in Clean Up Australia Day, you can register your own site or head along to Memorial Park, Lachlan Street, Condobolin or Liberty Park, Lake Street, Lake Cargelligo and register as a volunteer. Equipment will be provided, however volunteers are encouraged to bring gloves, enclosed shoes, water and sun protection.

Registration will commence at 8.00am and participants are welcome to enjoy a complimentary barbeque from 11.00 am at each registration stand.

To find a site near you and register visit

## **\$100 VOUCHER FOR CHILDREN'S SPORT AND RECREATION FEES**

Parents in NSW are now able to start claiming \$100 towards extra-curricular sport and other physical activity fees thanks to the NSW Government's new Active Kids program.

Active Kids will provide a \$100 voucher for parents to put towards sporting fees and registration costs for every school-aged child in NSW.

The health of our children is a priority for me and every parent. I hope this makes a difference in enabling you to enrol your child in the sport or physical activity of your choice.

Families will be able to use the voucher for registration and membership costs, as well as fees for physical activities such as swimming, dance lessons and athletics.

The annual voucher will not be means tested because the NSW Government wants every child from every family to get active and involved in community sport and fitness.

Parents are able to use their voucher to claim up to \$100 per school age child, per calendar year to reduce the cost of sport registration or membership of approved active recreation activities.

More details about the program and eligible sports is available at <https://sport.nsw.gov.au/sectordevelopment/activekids> or by phoning Active Kids enquiry line on 13 77 88.
