# PRESENTATION DAY

---

## 14 December 2022

## Principal's message

It is with great pleasure and pride that I welcome you to our Presentation Assembly for 2022. I would like to acknowledge the Wiradjuri people who are the traditional custodians of our land and extend that respect to all Aboriginal people here today. Acknowledging country is a very important step in closing the gap that still exists today for Aboriginal people. For me it is about being respectful, acknowledging our past and moving forward together.

Another year has gone by with perspectives gained, lessons learned and lots of memories made. It has been a year of firsts for some and a year of lasts for others. For all of us, however it has been a year of learning, the most important thing we can ever do in life and something we should never stop. Presentation day is one of my favourite days on the school calendar where we recognise the achievements of our students and celebrate our successes. It also means we have nearly made it through another crazy year of ups and downs.

I'd like to take this opportunity to say thank you to the whole school community for welcoming me with open arms and providing me with the opportunity to lead our beautiful school. This year has been one of the most enjoyable and rewarding years of my career and I feel extremely humbled and grateful to work in such an empowered and enthusiastic community. Becoming Principal of Tottenham Central School has been an incredible opportunity, one I take very seriously and one I take great pride in. Change can sometimes be daunting, and it may have been challenging and daunting to have a new principal. But change is inevitable and also essential. If we are not moving forward, we are falling behind and at Tottenham Central School we want to be at the forefront of change leading the way for our colleagues in education because we have the team to do so. It has been a fruitful year of change and one I am thrilled to have been a part of.

Thank you to our P and C and AECG led by Sharon and Di for their ongoing support of our school. Without your consultation, advice, support and feedback we would not be the school we are today. I look forward to continuing our partnerships in 2023. I would particularly like to thank the P and C for their efforts of fundraising to ensure advanced opportunities for our students. It is greatly appreciated. Amidst the challenges of 2022, Tottenham Central School has continued to flourish. I would like to offer my sincere thanks to the staff team who are committed to ensuring our students are known, valued and cared for and who give up so much of their own time to dedicate to extracurricular activities to ensure our students are not disadvantaged due to their location. The staff at Tottenham Central School have an extremely strong work ethic and passion for our community that I hope rubs off on our students. I have loved becoming part of their team and could not be more grateful for the work they have done this year to reflect and evaluate. I look forward to continuing to move mountains for our students in 2023.

Thank you and congratulations to our beautiful students, the reason we are all here today. They are motivated and enthusiastic in their learning and strive to do their best every day. They epitomise excellence, respect and responsibility and honestly, they are simply fun to hang out with. Who else will tell you your hair looks messy or that you look beautiful today Mrs Bush or teach me the myriad of handball and touch football rules that I continually break. I look forward to challenging you again on the handball court, and on the footy field. Although I know that I will never win a running race at the athletics carnival, it can't hurt to try right? Maybe I'll have the cross country in the bag! I look forward to sitting on the floor in K/1/2, socialising in the playground with Secondary, doing puzzles with 5/6 and hanging out in the 3/4 classroom. I can't think of a better way to spend a workday. Thank you for a wonderful year of learning and fun.

Not all students will have the opportunity to receive an award today, but I am proud of each and every one of you and I have loved getting to know you. Congratulations to all students on a very successful year.

Tottenham Central School, thank you for a wonderful 2022. Have a relaxing and refreshing break with your families and I look forward to continuing our journey in 2023.

## School news

### Swimming carnival nomination form and notes 2023

Swimming carnival nomination forms have been sent home for the swimming carnival next year. These need to be returned as soon as possible. For those parents with 8 year old children in Year 1, it is easier to complete the nomination form now and send it in then see how they go over the holidays. If you feel your child cannot swim in the carnival they can be taken out at the beginning of next year. A note will be generated on Sentral to give your child permission to swim in the carnival.

### Congratulations to our canteen and PBL award recipients for the end of Term 4!

### Yearbook 2022

We are pleased to announce a full colour 2022 yearbook will be distributed next year to each family. Watch this space! Extra copies can be purchased for \$15 with limited copies available. Pre-order at the office.

### Canberra Excursion

On Monday morning, 5 December, 40 of our students left Tottenham early and travelled the long way to Canberra.

Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government contributed funding of \$30 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion. The students participated in many educational and recreational activities throughout the week at different venues including Parliament House, Australian War Memorial, National Museum, Royal Australian Mint, National Capital Exhibition Centre, National Electoral Education Centre, Questacon, Cockington Green, Dinosaur Museum, Australian Institute of Sport, laser tag and cycling.

Thank you to Mrs Horsburgh, Mrs Adam, Mrs Attenborough and Mrs Lindsay for accompanying the students for the week.

A huge thank you also to Andrew and Carol Spencer for organising our trip and the generous contributions from the Australia Government, Tottenham P & C, Robinson Grain, Tottenham Lions Club and the school, which went a long way to subsidising costs.

## Uniform requirements for 2023

### School Uniform

The P & C and parents in this community support the concept of a school uniform. Parents are strongly requested to ensure their children wear the correct uniform every day. We also ask parents to make sure all items of clothing are marked clearly with the child's family name, at least, so that they can be returned if mislaid.

Dominic Perrottet MP

Premier of New South Wales

Dear Parents,

As the 2022 school year draws to a close, I wanted to thank you and all parents, students and teachers for your extraordinary efforts this year.

I also want to let you know about a new program that will ease pressure on household budgets by helping to pay for your children's school supplies at the start of the next school year.

**From 12 December 2022, NSW parents can access a \$150 Premier's Back to School NSW Voucher for each child in primary school, secondary school or home-schooling in 2023.**

Vouchers can go towards the cost of school uniforms, shoes, bags, textbooks, or stationery purchased from registered businesses. You can apply for the vouchers via the Service NSW app, and for more information, visit [service.nsw.gov.au](https://service.nsw.gov.au), call 13 77 88 or attend a Service NSW Centre.

This new program is part of our plan to give families a more secure financial start to the year.

It has been fantastic to see so many students back in the classroom and thriving in 2022 after so many disruptions, and 2023 is shaping up to be an even bigger year for education in NSW.

We're rolling out a new, back-to-basics curriculum; making changes so students are even better prepared for employment and further education; doing more to recognise and reward our best teachers; and making it easier for parents to connect with your children's education.

It's all about taking those important steps to make NSW education the best it can be, so we can set up our children for future success.

Thank you again for all your efforts this year. I wish you and your family a safe and happy summer - and don't forget to download your Premier's Back to School NSW Voucher from 12 December.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Dom - 12/12".
