Week 5 Term 2
Thursday, 25 May 2023

Principal's message

Welcome to the end of Week 5 and the halfway point of the term. We have had many events over the last couple of weeks and our students still have many more to look forward to this term, including cross country, performances, work experience, agricultural days, disco, eisteddfod and many more. How lucky are we to have such a wide variety of activities on offer to complement the teaching and learning activities.

In the staff spotlight this week is Mrs Christina Baldwinson. Originally from West Wyalong, Mrs Baldwinson started at TCS in 2000 as a 24-year-old English and HSIE graduate from Charles Sturt University, Wagga Wagga. Mrs Baldwinson was a targeted graduate due to her high achievement and was given an early placement at Tottenham. Prior to completing university, she undertook a 12-month Business Administration course at Williams Business College, North Sydney, and then worked as a legal secretary for two years at Circular Quay. Mrs Baldwinson started her teaching studies through distance education whilst working in Sydney and then moved to Wagga Wagga for full-time study in 1997. Mrs Baldwinson feels blessed to have "landed" at our wonderful school all those years ago. She loves the variety of working in a central school, and the opportunity to be able to guide and teach students of all ages across the areas of English, Music, Wellbeing, Aboriginal Education, debating, public speaking and drama, and believes "there is something exciting happening every day at Tottenham Central School." Mrs Baldwinson is working towards her Highly Accomplished Lead Teacher accreditation which is testament to her expert teaching knowledge and experience. She is the leader of both Wellbeing and Aboriginal Education in our school and is also part of the Mitchell Network Middle Leaders Mentoring Program to develop her leadership skills further. Mrs Baldwinson says she is lucky to have landed at Tottenham Central, however Tottenham knows they are the lucky ones to have her. When off school grounds, Mrs Baldwinson loves to be involved in many aspects of life in the Tottenham community.

In Week 9 this term, we will be holding our Year 5/6 Transition meeting for parents. This meeting is to provide further information on the transition plan for Year 5/6 students who are transitioning to high school in 2024 and 2025. The information session will outline how this plan will work and what Year 7 will look like for 2024 at Tottenham Central School. Parents will have the opportunity to attend classrooms with subject teachers with an opportunity to ask questions. Although the information is for Year 5/6 parents, everyone is welcome to attend.

Congratulations to our 4 students who competed in the CWA Public Speaking competition in Condobolin on Tuesday: Annalise, Evelyn, Marty and Bill. It is such an important life skill, and we are extremely proud of your efforts. From all reports the students spoke confidently and represented our school very well. I look forward to hearing your speeches at the end of the term.

Just a reminder to parents to please give permission on Sentral for activities and excursions by the due date to help in the planning and organising of school events. If your child is not attending an event, could you please tick no for permission and that will help in knowing if students are going or not. We have also updated our permission note to make it easier to inform of travel information etc. Instructions are available in the newsletter this week. We appreciate your support as we continue to improve our processes.

Enjoy your weekend.

Winter uniform orders

The winter uniform order form is attached to this newsletter. Please review your requirements for your child/ren and return your order by June 2. If you require assistance with payment, please contact the office—we are happy to help. Thank you.

TCS Fundraiser

We have again organised a pie drive with Earlyrise Baking Co. this year. We have dealt with them in previous years and have always been satisfied with their products and service. Prices have increased slightly, but then again, hasn't everything? This increase is not more profit for TCS, it's a production cost increase passed on to us.

Please find an order form for the drive at the back of this newsletter. A paper copy has also been sent home with each student for those who receive the newsletter electronically. Please pass on order forms to family and friends also.

If more forms are required please contact the office so they can be sent home, or pick one up from the front desk or the Post Office.

SRC update

The SRC focus habits for Week 6 are:

*** Assist those with extra challenges**

At your school, there might be students who have a disability, or who are new to speaking the local language. Form the habit of being positive towards these students and giving them a few moments of your time to assist whenever you can.

*** Have a screen-time limit**

Your distraction could be videos, games, or connecting with friends. Form the habit of limiting your screen time so that you can balance your life with other things away from the screen.

Sentral parent app update

We have amended the way parents and carers can give additional instructions, especially around the transporting of children. You will now see radio buttons that need to be completed when giving permission for your child/ren to attend activities.

Please also ensure all absences are explained for this semester. If you have any further questions please call the office for assistance.

ICAS Assessments

Tottenham Central School will be participating in the ICAS Assessments this year. ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling Bee and Digital Technologies. Every student who registers will receive a printed certificate and an online results report. If you would like your child to participate in any of the subjects, please visit the online Parent Payment System to make a direct payment to UNSW Global. Payments are not made to the school. Further information can be found in this newsletter.

TCS P&C 200 Club

Thank you to everyone who supported the P&C 200 Club. The money raised went to purchasing Lego for the students to use at recess one day a week. The P&C presented the Lego to the students at our Monday morning assembly. The students loved exploring, building and playing.

CWA Public Speaking

On Tuesday this week, four of our primary students commendably represented our school at the annual CWA Public Speaking Competition in Condobolin. Annalise's topic was "Spiders", Evelyn's topic was "Nicknames", Marty's topic was "Cleaning my room" and Bill's topic was "Speed".

Our students performed well, learned a lot and look forward to more public speaking activities in the future.

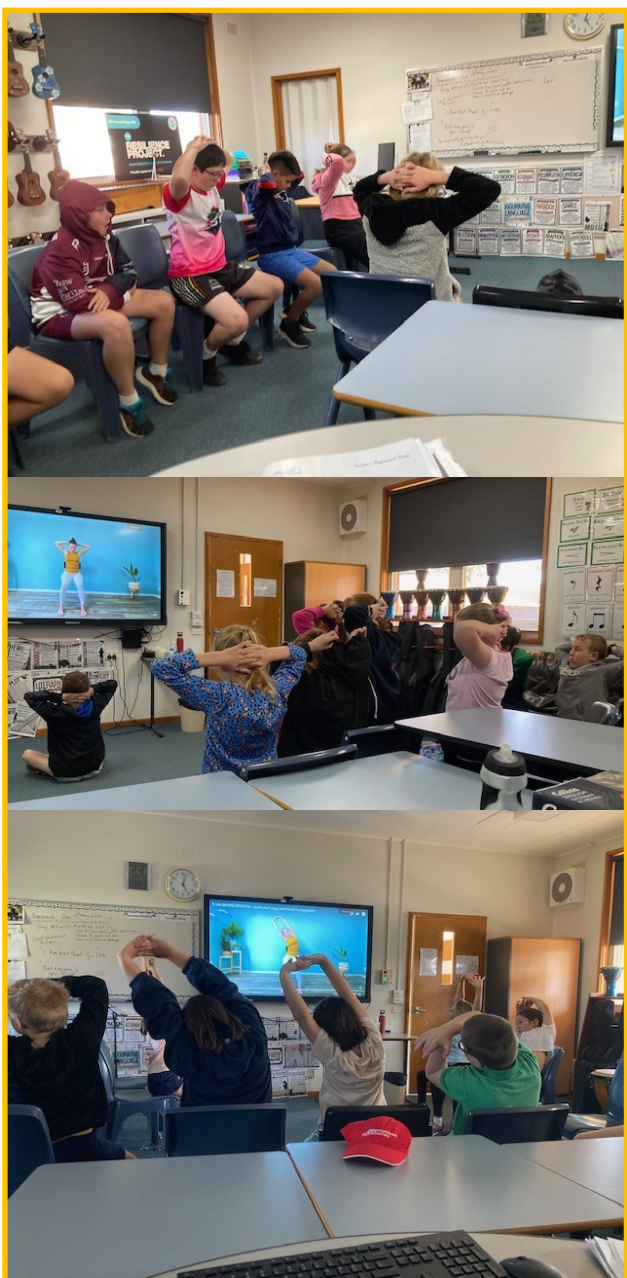

WELLBEING AND MUSIC AROUND THE SCHOOL

As we near the end of Week 5, Term 2, the school is a busy place regarding Eisteddfod and choir rehearsals for upcoming performances. On Wednesday, June 7, all classes from Kindergarten to Year 6 will be travelling by coach to the annual Dubbo Eisteddfod at the Dubbo Regional Theatre. The K-2 class will be performing “The Wheels on the Bus” on boomwhackers and various percussion instruments, the Year 3/4 class will be performing “Russian Dance” on untuned percussion instruments, and the Year 5/6 class will be performing “Radesky March” on untuned percussion instruments.

On Thursday, June 22 these class groups will be performing their eisteddfod pieces at our school assembly. Our wonderful choir will also have an amazing performance at the assembly too – and have been enthusiastically practising during Tuesday lunch time “Choir Club” in preparation.

Wellbeing activities in line with The Resilience Project have also been engaging students across the school. From random acts of kindness, participating in the ‘warm fuzzies’ game, writing notes in their happiness jars or undertaking meditation and chair yoga, our wellbeing activities have been well received by all students.

Tottenham Skatepark Development Group

After discussions with parents and children within our community, we have noticed many commenting how much they would like a skatepark (for our children and visitors) to ride bikes, scooters, rip sticks, roller skates etc.

A group of keen parents, in conjunction with the Tottenham Welfare Council, are working together to develop this concept and get a facility up and running, and we would like to hear your thoughts and ideas. With your family, please discuss and give your feedback by answering our short survey. You can complete and return your survey to school or complete online by following the QR code below before the 30th of May.

Kind Regards,
Tanya Fulton, Kylie Nicholson, Kurt Brodin, Nikki Simpson Baker and Sally Fitzalan

1. Any type of facility we develop is for the children of Tottenham – so we are especially seeking their voice. What would our Tottenham children like to see in our town?

2. There is an idea of a possible skatepark for Tottenham is this something you would like?

3. If there was a skatepark, what features would you like to see included (and any extras)? E.g. quarter pipe, rails, roll in, bowl, Netball/basketball hoop, handball wall, gymnastics bar, mini bike track, etc

4. Where do you think would be a good location for a skatepark in Tottenham?

5. Do you have any concerns regarding a skatepark? And/or suggestions to overcome any concerns?

6. Constructing a skatepark will require additional funds. Do you have any fundraising ideas we could use to support the development of a skatepark?

If you would like to find out more information or to join our skatepark development group, please contact Tanya (0428626138) or Sally (0428407871).

Tottenham Football Club update

TFC First match of the season: Sportsmanship Award - Saturday 6th May

Sportsmanship is such an important attribute that we hope to see in our Club. At our first match at Warren, the Coaches wanted to let everyone know how incredibly well each of our socceros played. Running, smiles, those gorgeous faces exerting so much energy on the field and the consistent effort so many of our new players put into their matches! Mums & Dads be so so proud 😊

Our first player recognised for their sportsmanship was a TFC player new to our club, her first match today after having attended only one training so far. She covered the field, shared the ball, was part of the play in attack and defence, a standout on the field. Then she took a fall and hit her head as she landed. But determined, after a short break she was back next to Coach Brett ready to go back on & play again. Katie - brilliant job, you are our sportsperson of the day!

TFC Second match of the season: Sportsmanship Award - Saturday 13th May

What an incredibly hot day it was for a winter sport when we played at Nyngan on Saturday. Hoping everyone recovered well after such great matches ! ⚽ TFC awarded two sportsmanship awards this week.

The first to the entire Mids team with 4 players brand new to soccer and a couple having moved up to Mids this season. Saturday's TEAM play was 100% on the previous week. You guys came together and played soccer as if you've been playing together all of last season too! Hi-5s and pats on the backs for every single one of you! We even have had feedback from a Ref (who we all know), very excited about the talent that he sees on the field. To our Mids - brilliant, keep it up team!!

And another stand out this week was a new player to soccer. Lilly-Ann, as a newbie you certainly didn't look out of place. Always in position and your defence was rock solid. Lilly-Ann even got a comment from her Nyngan opponent, saying she was a great defender. Picked up an injury from an accidental hand ball but manned up and finished the day on a high. Well done Lilly-Ann!

See you all at Nyngan. Kick off begins at 9.00am!
