Principal's message

Welcome to our first newsletter for 2025. I am delighted to welcome you to the start of Term 1 and to introduce our new newsletter format and structure. We have had an outstanding beginning to the term, with our students displaying enthusiasm and a strong desire to be their best from day one.

After a long holiday, we have hit the ground running with a jam-packed agenda for Term 1. I am extremely grateful to our exceptional staff, who are continually going above and beyond in their preparations for 2025. Their hard work is evident in every aspect of our school community.

Congratulations to our new Student Representative Council - a truly wonderful group of students. I cannot wait to work with you, hear your ideas, and see all of you thrive. Every student who applied should be extremely proud of themselves and the high level of speeches they produced. It was a real joy to listen to them.

**Excellence
Respect
Responsibility**

Our term is off to a fabulous start with lots of swimming taking place. The recent swimming carnival was filled with spirit, and we have taken your feedback to make future events even better. Congratulations to the students who made it to Gobondery/NARRAF and to those preparing to compete in Dubbo next week at PSSA. A special mention must go to our small school's relay team for breaking the longstanding Trundle record, we wish you all the best for the next leg of competition. Well done to our secondary students for their outstanding participation at the WAP swimming carnival and good luck to those going on to CHS Swimming.

Our Homework Club is now up and running, meeting at lunchtime on Thursdays and from 3pm to 3:30pm on Mondays. This program is run by volunteer staff and is a very valuable resource. Thank you to our dedicated staff for organising it and I encourage all students to use it.

I would like to provide an important update regarding our school size. Despite some speculation, we continue to operate as a small school, and our current enrolment does not support adding another teacher. I remain highly confident in our established structures, routines, and the personalised education that small class sizes enable, ensuring that every child at Tottenham receives the best possible education. Although additional staff might be beneficial, our team of expert educators consistently deliver a rich, opportunity-filled learning environment that covers the entire curriculum, and I am very confident in their skills and dedication.

At Tottenham Central School we strive to provide a comprehensive education for all students, whilst catering to individual needs. As professionals, we do our best, but like everyone, we are not immune to mistakes or areas where we can be better. Please be rest assured that every decision or action is made with all students' best interests in mind. If you have any concerns, my door is always open, and I sincerely appreciate your support.

Have a fabulous weekend.

Angela Bush - Principal

**We're here to support
positive attendance habits.**

Important information

- Students are not to arrive at school before 8:30am as there is no supervision before this time.
- If children are being dropped off or picked up from school, we ask that you do so at the Meryula Street entrance (near library) to avoid the bus zone at the front of school.
- All parents and visitors must report to the school office first to sign-in. There is now a visitor sign-in QR code or via iPad at the front office to be completed. If you need to sign your child in or out of the school you also need to come to the office. This is an WH&S requirement of the Department of Education and Tottenham Central School. We can organise for your child to be brought to the office.
- Any changes to address, phone numbers, student medical conditions or other important details should be given to our office staff as soon as possible. This will help us with communication and keeping all students safe.
- Parents are requested to please notify the school by a note or phone call if their child's after school/pick up arrangements change, even for one day. This will prevent confusion at home time. Please also try and avoiding phoning at the last minute.
- All students need to bring hats to school. We have a "No Hat - Play in the Shade" policy. In the interests of protecting young skin, we ask all students to wear a hat to school. Students will be restricted to the shade if they don't wear a hat.
- Could all parents please clearly label their children's belongings including hats, sloppy joes, lunch boxes, drink bottles etc.
- All student absences need to be explained via our Sentral Parent app, return SMS or you can call to give a verbal absent reason.
- Students unable to participate in sport or physical activity must have a signed note from a parent or guardian explaining the reason for the inability to participate.
- Please check the Sentral Parent app daily, read our Newsletter and 'Like' us on Facebook to be kept up to date with the goings on around school.

DROP-OFF AND PICK-UP OF CHILDREN BEFORE AND AFTER SCHOOL

All parents please take note of our 'road safety policies' regarding the drop-off and pick-up of children before and after school.

For safety reasons, parents who drop-off or pick-up their children by car are asked to park in Meryula Street near the library. If using Merilba Street, please park past the bus zone i.e. adjacent to the Science Lab and Room 10. This will prevent students trying to cross the road where the buses park and make their U- turns.

We welcome parents to come onto the school grounds to collect their children in the afternoon. To ensure a safe and smooth dismissal, we ask that primary parents wait in the area between the library and the Kindergarten room, near the silver seats.

Parents of secondary students may wait at the gate in front of the main secondary block.

For the safety and supervision of all students, we kindly ask that parents remain in the designated pick-up areas and refrain from entering other parts of the school grounds unless signing in at the office.

We appreciate your support in creating a safe and organised pick-up routine for our students.

Please see below the schedule of fees for 2025

Following the introduction of the Sentral Finance module last year all fees are now raised automatically and show as outstanding on the Sentral Parent app. These fees will be applied to all students' accounts next week.

Payments can still be made by cash or cheque and will be processed by office staff, against the fees raised, or can be paid via the Sentral app.

Tottenham Central School

2025 School Fees

School voluntary contribution levels will again be capped in 2025. Voluntary contribution rates have been maintained considering factors of the previous school years and their impact on the needs of school students, their families and communities.

All elective subjects attract fees to subsidise the costs of materials consumed by the students in those subjects.

If there is a possibility that the payment of these fees may cause financial difficulty, please contact the school as soon as possible.

Voluntary Contributions:

Infants/Primary (per child)	\$50.00 per year
Secondary (per child)	\$50.00 per year
Maximum	\$120.00 per family

Elective Fees:

Our school will cover the cost of consumables used in these subjects, however, if your child wishes to take home anything they produce at school, payment of the fees is necessary.

<i>Stage 4</i>	Technology	\$60.00 - plus individual purchase of materials if needed.
<i>Stage 5</i>	Food Technology	\$60.00 per year
<i>Stage 6</i>	Hospitality	\$60.00 <u>per term</u>

Please return with payment or pay via the Sentral Parent app.

Congratulations to our Merit and Attendance Award recipients for Week 4!

Let us know if your child is absent

The wellbeing of our students is extremely important to us. One way we protect the wellbeing of your child is by fulfilling our responsibilities as both parents/carers and school staff by reporting and monitoring student absences.

Please remember to contact us on 68924006. This is best done early in the morning if your child is going to be away or late for school so your child's absence can be recorded correctly and we can provide appropriate support for you and your family.

If you speak a language other than English and need help talking with our staff, please telephone the interpreter service on 131 450. This service is free. Listen in your language or see How to contact the Telephone Interpreter Service.

For further information on the processes we use to record, monitor and follow-up student attendance and absences please read our School Attendance Policy.

2025 Regular Reader Award

Every term this year we will be rewarding our regular primary readers with a book of their choice from Book Club.

A student from each primary class and will be chosen.

They will have:

- been a regular borrower from the library
- usually read their home reader every night
- their logbook signed by an adult.

At the end of each term the students who are chosen will have a SMS sent home to their parents informing them of the reward.

We ask that parents look at the Book Club order forms and assist their child to select an appropriate book.

There is no price limit, but we ask that packs and kits are not ordered.

Return the order form to school and the books will be handed out when the Book Club delivery arrives.

Sport dates for Term 1 2025

Gobondery/NARRAF and WSSA Trials Term 1

Trials for Gobondery/NARRAF and WSSA will be advertised on the calendar and sent out via Sentral. If your child would like to trial for a sport, please notify the school by the notification date. You will also need to organise to take your child to the trial. A note will be on Sentral for the sport which have all information needed for the sport.

Please be aware that if students are nominated individually, and attend PSSA trials, convenors expect that they are competent in that sport, can display a good standard of skills and have experience in the sport they are trialling for. If your child does nominate for PSSA trials they will be asked what playing experience they have and what position/s they usually play. If Gobondery/NARRAF trials are held for sports this is where students are able to go and get experience in that sport. It is still expected that they know the rules of the sport and have some experience playing the sport.

LAKE BURRENDONG SPORT & RECREATION CENTRE

The Secondary Showcase

Welcome to all of our secondary families. The students have had a terrific first few weeks. A few reminders for parents:

- Students need to have all of their books labelled including their diary
- Diaries are expected to be at school every day
- All stationery items need to be bought to school every day
- Students need a hat for sport and PE. Sports uniform needs to be worn on Wednesday for sport and Thursday for PE. Joggers must be worn for PE and sport. If students can not participate in sport or PE a note needs to be sent in to the office.
- All students have been issued with a Yondr pouch for their mobile phones. Phones are to be put in the pouch at 8:40am each morning and will be taken out at 3pm.
- Please ensure the correct shoes are worn in the laboratory and Industrial Arts room
- All students have received a hard copy of the Assessment Policy and the Term 1 Assessment Booklet. Copies of these have been sent home. Students also have access to the Assessment Booklets on Teams.

What's coming up in Secondary?

- WAP Camp - On Wednesday, 12 March – Friday, 14 March. Our Stage 6 students will be participating in our annual WAP Camp at Lake Burrendong.
- Secondary Science and Engineering Challenge – On Wednesday, 26 March. Our Stage 5 students will be participating in the Science and Engineering Challenge at Dubbo.

Stage 4 Maths

In Stage 4 Maths, the year began with students exploring the two main types of probability: experimental and theoretical. The students investigated and recorded the theoretical probability of rolling two dice, then conducted an experiment with 50 rolls to gather experimental data. The students then graphed the results and compared them.

Congratulations to Billy who received his White Card certificate!
